How to get to the NYC Chapter Home page

When you first type in the TTN address (https://www.thetransitionnetwork.org), you are sent to the TTN National home page.

There are several ways to get to the NYC Chapter Home page.

If you want to go to the NY Home page, click on Chapters in the top blue bar.

Choose New York City from the list on the left hand panel.
From the National page, if you want to go directly to the Events listings for NYC, click on this tiny box. A menu will drop down with all the chapters listed. Click on New York City.
