

How to join TTN

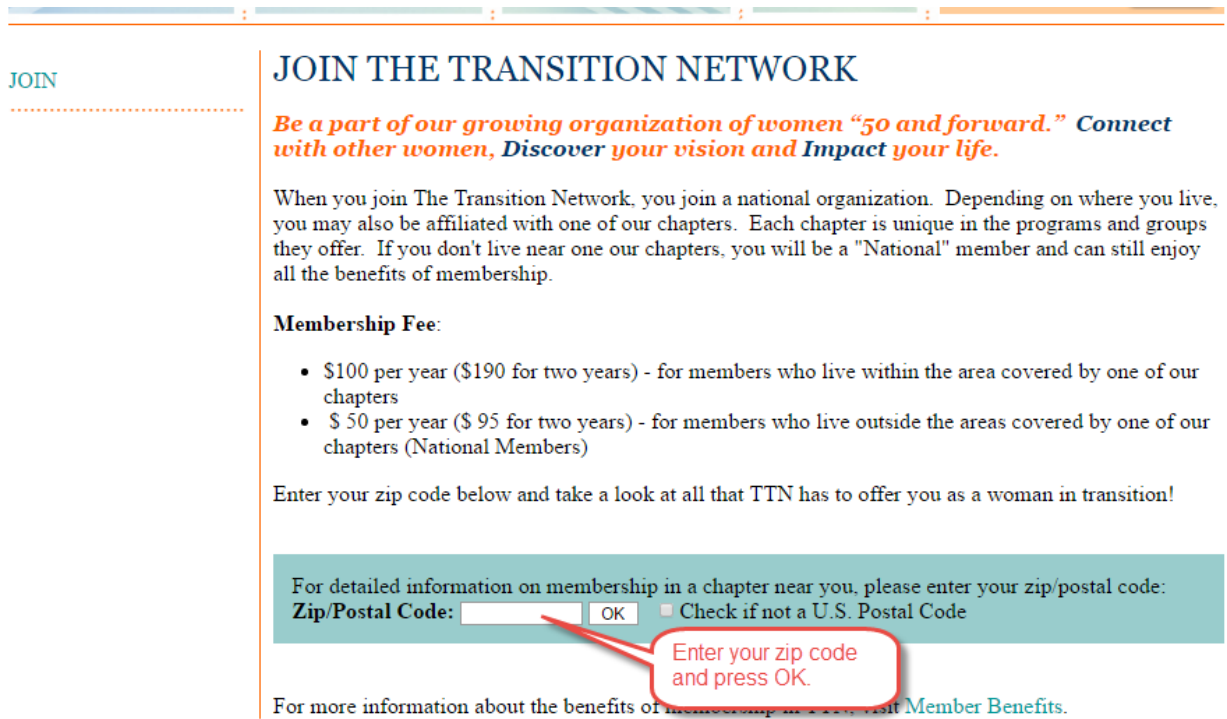

Click the JOIN tab

The page below will come up.

Enter your zip code in the box.

It is necessary because although we have many chapters, they are not everywhere. Your zip will direct you to the appropriate chapter.

The following pages will appear to offer choices for joining.

Most people choose one-year membership at first.

Note that although there is no extra cost to join the Caring Collaborative, there is a required C.C. orientation before you can participate in it.

Enter your zip code below and take a look at all that TTN has to offer you as a woman in transition!

For detailed information on membership in a chapter near you, please enter your zip/postal code:
