

## The Member Directory

The member Directory is a good way to learn a little more about people you are meeting for the first time.

It also gives you some contact information, (Email address and phone) so you can re-connect.

It is very useful to share a bit about yourself for others to find, too.

(See instructions for putting up *your* profile.)

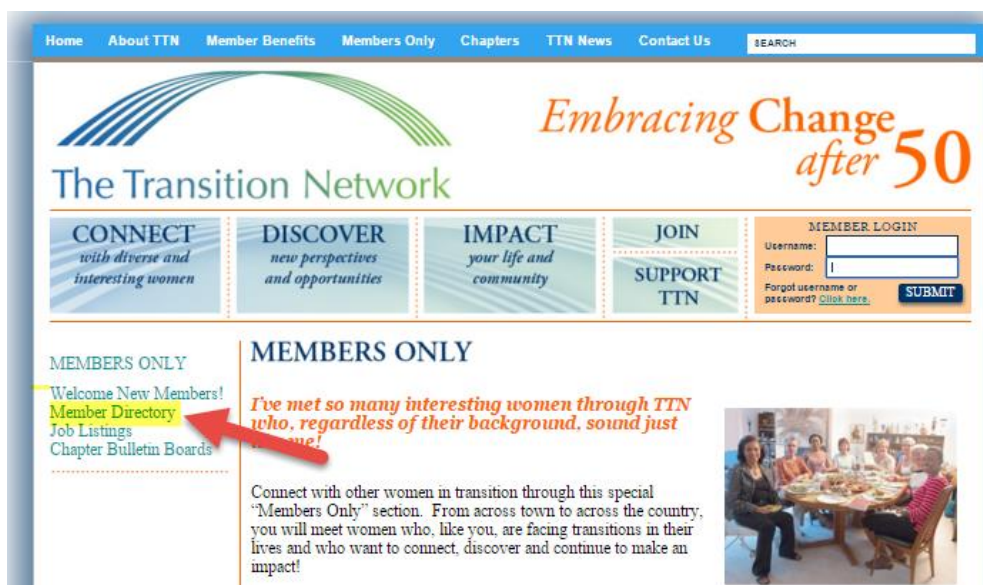

You can get to the Member Directory in several ways.

From any page you can click on the “Members Only” button in the blue bar at the top of the page.

Click on the Member Directory listing in the left-hand panel.

You will be prompted to log in if you haven't.

Type in whatever information you have to be taken to a member's name.

(If you only have the first name, you will be shown all the members with that name in any chapter.)

Click on the name to go to her profile.
